

Walking  
and cycling  
to discover  
the Iberian  
Southeast

## Welcome to our territory

Discover the Region of Murcia and the Iberian Southeast in a new way. EntreTierras grants you the chance to practice ecotourism and go into the heart of our territory towards what is truly genuine: whether walking or cycling, you will enjoy our amazing guided or self-guided routes through the best natural spots, from the most beautiful castles and sanctuaries to better conserved landscapes.

### Family

To enjoy with the whole family.  
Children welcome!

### Food and Wine

Wine culture and cuisine of the land.

### Nature

Rare flowers, dense forests, islands unreachable. Much to discover!

### Ornithology

No times to discover the birds of the southeast peninsula with us!

### Traditions and Culture

History with a capital or our traditions very well take place in EntreTierras.

### Bioitineraries

Responsible tourism to discover organic production.

### Self Guided

Unhurried and schedules.

### Guided

Better with the help of an expert guide.

*There are always new routes to discover®*

## Our selected accommodations

Since our trips are for pleasure and discovering, we have carefully selected the accommodations to which we will arrive at the end of every intense day. We have favoured their familiar and intimate character, good service as well as the comfort required to peacefully recover from the emotions of the day. The most part of our accommodations are small hotels, rural inns, Bed & Breakfast or bioclimatic apartments integrated within the environment, where you will feel at home.

## Our services

- Accommodation and restaurant booking
- Luggage transfer
- Transfer from the airports and train stations
- Bike rental
- GPS rental
- Bilingual specialised guides
- Accompanying guides
- Support vehicle
- Car rental
- Documentation and maps of the routes
